To Whom It My Concern:

Phytochem International, Inc., represented by Kevin Mabry, Account Executive, has provided with us with excellent service.

We appreciate how they have been attentive to our requirements and continue to do so as our relationship grows. They are one of the few companies, we have found, that is capable of supplying a high-value raw material which has been in an industry shortage. Considering this predicament, they have also provided us with competitive pricing.

We enjoy the experience we have had with Phytochem, and we look forward to a growing business relationship with them in the future.

Best regards,
